

"Solutions you can understand"

L&I Consulting

Fueling Your L&I Performance

*"From 1998-2007, 190 motor vehicle driver/ passengers lost their lives in work-related roadway crashes, accounting for 22% of ALL occupational injury deaths in the State (WA)."
WA State Department of Labor & Industries*

Mitigate Time Loss

Control Medical Costs

Position For Maximum Refunds

Regulation Compliance

Reduce Worker Injuries

"EHL differentiates itself by adding value. For example, EHL brought in a third party Labor and Industries consultant to evaluate if the refunds we receive from our retrospective program truly reflected our commitment to safety and best practices."
