

"Solutions you can understand"

# Risk Management

## Managing Risk: Opportunities and Threats

*"41% of companies have some form of ERM (enterprise risk management). Will the other 59% survive?"  
(Economist Intelligence Unit)*

- Lower Costs Associated With Risks
- Reduce Volatility of Your Bottom Line
- Risk Management Library
- Written Risk Management Plan

***"EHL believes in a systematic approach to managing risk we face, and has provided a comprehensive Safety Program to help keep our company safe."***
